GYMNASTICS: FOUNDATION OF ALL SPORTS. MAKER OF CHAMPIONS.

Fundraising

Last year we raised \$15,000 towards our new building. We still have a way to go towards our \$100,000 goal—so it's time to up the stakes so we can get the building process started in 2018.

We have been given an amazing fundraising opportunity by Whittaker's Chocolate to sell boxes of their bars at \$2 each. Each box has 36 chocolate bars, so for each box sold we raise \$72 for the club. When we sell all 150 boxes we will have raised \$4,800! This is a great start to our fundraising campaign for the year.

We are aiming to have sold all boxes by the 31st of March. We would really appreciate it if all high school gymnasts could take a box (or several!) and sell them as a way to show their passion and support for the club. Any primary school gymnasts are also encouraged to sell a box if possible—parents can also help out by selling chocolates to their friends/neighbours/co-workers!

The more we sell, the more we raise, and the quicker we can have a new building. We really appreciate your help and support!

Farewell

This week we said a sad farewell to a gymnast, and later coach, who has been with the club since 2008. Jesse has trained with us since she was 7 years old and represented Kerikeri and Northland at competitions around the country.

Jesse was the Northland Champion in 2008 for Level One; 2009 for Level Two; 2010 for Level Three; 2011 for Step Five; and 2014 for Step 7. She was a Northland Representative at the New Zealand Gymnastics Nationals every year from 2011-2015. Due to her incredible hard work and dedication she also won an Far North District Council Sports Award in 2014.

Jesse became a coach a few years ago and has been a great asset to the club - always willing to help out at any time with a smile. She has inspired many of our younger gymnasts to work hard so that they can be like her. We really appreciate the many hours that Jesse has put into the club and we wish her very well in the future.

Term Fee Options

This year we have introduced the option of paying fees for a full year.

Paying in full will grant you a 10% discount from the total fee amount.

If you have already paid your fees for this term it is still possible to pay for the whole year if you would like to—just let us know and we'll take the amount already paid off the new total.

Please note that we do not offer refunds if for some reason you are not able to continue gymnastics for the entire year.

Paying term by term is still available, as well as payment plans.

Please let us know asap if you have not yet received an invoice for this term!

Please ensure that your fees are paid on time, or that you have set up a payment plan with either Janet or Lisa.

We are currently completely full on all of our recreational training days and have waiting lists of people wanting to join. Please ensure your payments are up to date, as membership is secured upon payment of fees.
