

Newsletter 3, July 2019

Welcome back to Kerikeri Gymnastics! We hope your gymnasts enjoy the term ahead working on routines in preparation for Ribbon day and Competitions, including Northland Champs on August 10th. If you have any questions about your child's class or coach please speak with Janet, Sarah or Polly.

Kerikeri Primary to Gym Connect Service
Janet has made countless trips (approx. 25,000) transporting children in the Gym Van over the years. Due to ever increasing costs the committee have decided to pass on a small charge to families for each trip made. The committee are finalising the action on this and we will communicate with those families involved over the course of this term. Thank you for your patience, we appreciate your continued support as we roll this out.

Please ensure your child has correct fitted training clothing/leotard and it is essential that hair is tied back securely. Drink bottles filled with water are important to keep the gymnasts hydrated.

Our club leotards are a perfect choice for gymnasts to exercise/train in, navy and silver in short (\$55) or long sleeved (\$65)

CARPARK SAFETY ISSUES

We have heard your concerns and are currently trying to work out the best way of increasing safety in our carpark. Monday's, Tuesday's and Wednesday's are very busy and require extreme care and vigilance, as some children are outside the gym among the cars. All children should be collected by their parents from inside the gym after their gym session has concluded. If anyone has 'know how' in painting parking lines, please approach Janet or Polly.

A huge THANK YOU to all the families/parents who arrived on working bee day to spruce the gym up, you did an amazing job! Many thanks to all the volunteers on our recent competition day, it was a real success and our gymnasts did us proud.

Thank you to Evan Goff-Davis from Prime Plumbing who fixed the toilet leak!!

Thank you to Oxford Sports Trust and JSB contractors for their contributions to enable the club to buy some new foldaway rings for the club, particularly for boys gymnastics.

RIBBON DAY SATURDAY OCTOBER 19TH (DATE TBC)

THIS IS FOR OUR RECREATIONAL GYMNASTS AND A SELECTION OF STEP 1'S.
