Kerikeri Gymnastics Club is looking for a **NEW HOME** to run our programmes for 200 kids and youth aged 1-17. 🦄  
The building we're currently using has been sold and will not be available to us in 2021.  
We love having been part of the Kerikeri sports community for over 40-years. Our club is gymnastics and more... it's a family-oriented, fun and safe learning environment, and a place of leadership growth for our youth coaches who are brilliant role-models for our younger members.

#### CAN YOU HELP US?

We are reaching out to the community to help us continue to provide our centre of gymnastics excellence - do you know of any suitable buildings the club could lease for up to 3 years?

If yes, please contact
