

## **KIA ORA AND WELCOME !**

Welcome to Term 1 Gymnastics at our **NEW HOME** at 1901 SH10, Waipapa.

Our club is gymnastics and more... it's a family-oriented, fun and safe learning environment, and a place of leadership growth for our youth coaches who are brilliant role-models for our younger members.

### **Important Reminders, PLEASE READ.....**

- Please take care turning in and out of SH10, it is a 100km zone, so we ask for you to be extra cautious.
- Please drive slowly in car park and avoid parking in entrance as the bus and other vehicles require space to safely enter.
- Please let the person on desk know you or your child has arrived.
- Gymnasts are to use the area behind the cubby shelves and screen for a quick change into gym clothes.
- Gymnasts are to wait behind barriers until your coach is ready to take you onto the gym floor and equipment area.
- Toilets within the building are now up and running.
- Please send your child with a full water bottle and a reminder to top up at school – thanks!
- Please ensure your child has correct fitted training clothing/leotard and it is essential that hair is tied back securely.
- Please keep your child home if they are unwell. We ask that gymnasts use hand sanitiser before their session. Please continue to use your Covid Tracer app.

### **MASSIVE THANKYOU TO OUR CLUB FAMILIES FOR ENABLING THE MOVE TO WAIPAPA**

We are extremely grateful to the many club families who helped us both move out of the Sammaree Place building, and who helped with the move from storage to the new building. Thanks to those for the building help and those who provided and/or drove trailers. Also, to Tony Calnan, Pete McLea, and to the committee, a million thanks!

We would like to shout out and thank the businesses who donated to or helped us with the move, in particular:

- Waste Management - Provided trailer for our moves
- Hirecorp - Provided trailer
- Greg Parkinson - builder G-Force Projects
- Waugh Concrete and Cutting for extra help from their staff
- Placemakers for free delivery of plywood to new building
- Kerikeri Hire for reduced hire costs for portaloos
